News from the Drew

2025 was a very productive year for the Drew. After many years of staffing shortages, we are happy to report great success in recruitment. Over the past couple of years, our staffing levels have stabilized, and our beds are now full. Tantramar Residences has

also returned to full occupancy, with all apartments rented as usual, as they are no longer needed for international recruitment.

We are incredibly grateful for our dedicated staff. Recently, we held our annual Staff Recognition Event as a small token of our appreciation for their hard work, compassion, and commitment to our residents.

Several renovations are currently underway. An electrical upgrade is in progress, and renovations to the Chignecto tub room are beginning. The Chignecto Whirlpool room is being expanded to create more space and will also receive a facelift. In partnership with Social Development, work continues on additional heating and ventilation upgrades, as well as a roof replacement.

Visitors to the home will notice a newly installed front gate. This enhancement improves residents' safety while also adding to the beauty of our front patio. We extend our sincere thanks to Social Development for funding this project.

2025 also marked the 70th Anniversary of the nursing home. A celebration was held on September 24, 2025, where guests enjoyed delicious refreshments and beautiful decorations. Thank you to everyone who helped make this milestone event so special.

Nursing Home Without Walls continues to thrive within the community. This past year, Yara Delgado joined Rachele Gariepy as Assistant Coordinator. For more information about Nursing Home Without Walls, please visit the [Drew Nursing Home website](https://www.drewnursinghome.ca).

We look forward to continuing to serve our community through the Drew Nursing Home and Tantramar Residences.

Thank you from all of us at the Drew!
